

# Steps of Checking an ID at Your Title Company, Manually vs. With Intellicheck

Title companies have to check and verify IDs to complete transactions.

## Manual

Take the ID.

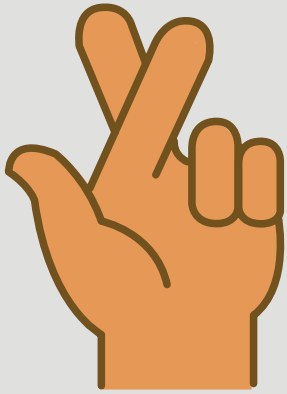

Visually inspect the ID.

Check the ID against standards for 50 different states.

Copy the ID.

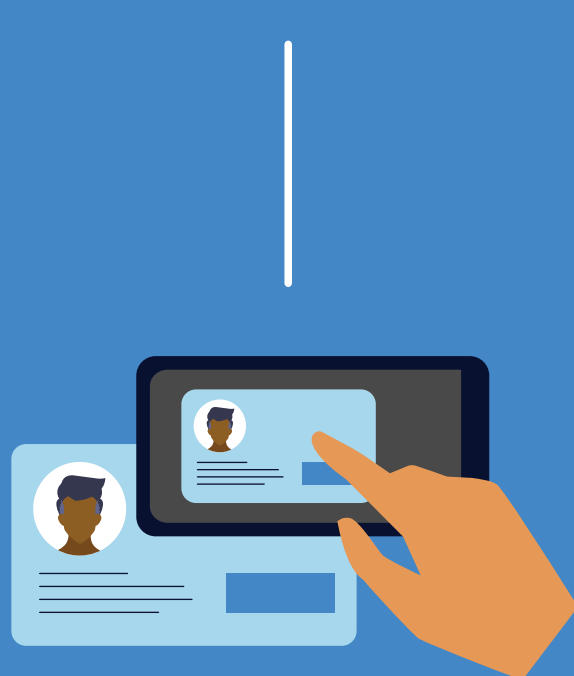

Cross your fingers.  
(supported by luck)

## Intellicheck

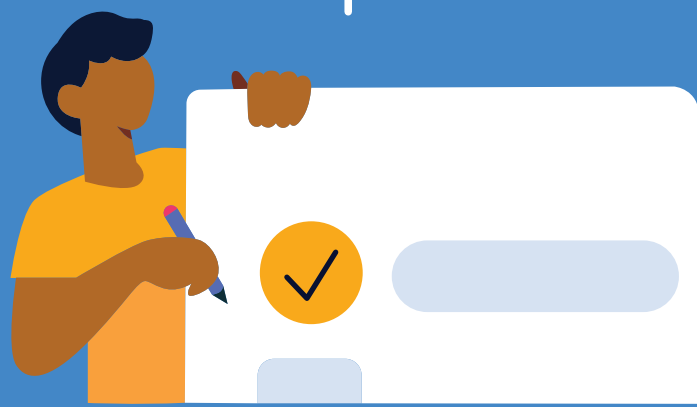

Take the ID.

Scan the ID with a device.

Wait less than half a second.

YOU'RE DONE.  
(supported by data)

## The likelihood of getting it right

Manual  
50%

Intellicheck  
99.99%
